Chair Report

No Report

Treasurer report

Hello Everyone:

I might be able to take part in this Regional Service meeting but if not, I am sending this report to the Secretary prior to my leaving on my vacation.

Our beginning balance is \$20,193.46. We received two donations, one from the Central Area and the other from Experience, Strength & Hope Group for a total of \$499.65. Melissa Rohner returned \$335.00 from the money that had been given to her for purchasing t-shirts. The Northshore Area was unable to put on the Regional Meeting so we are waiting for the \$300 to be returned.

After prudent reserves, we have \$3,528.11 in unencumbered funds. I will send 10% to WSO, \$352.81 and 3% to SZF, \$105.84, leaving us with a balance of \$3,069.46.

Next time we meet, we will have expenses to pay out, California Steve will need to be paid for the website. We paid him \$300 last year, and \$179 for the PO Box

In Loving Service,

Pixie Storer

No Report Absent

Bayou Recovery

Bayou Recovery have 8 meetings in house and 3 zoom meetings
H&I sub committee has a meeting at O'Brien House weekly.
Prisons are still on Covid 19 restrictions but we are in conversations as to how we return !!!
Loving Service
Elmore B.

Central La

No Report Absent

Greater Baton Rouge

We have 12 meeting in-person. Updated meeting list will be posted on website with Allison@Bayou.
We are making initial contacts with Baton Rouge hotels for possible convention bid. Having outdoor fundraising functions planned. Donation of \$109.49 will be given to treasurer.
ILS
Roy M

Lake Area

Hi Family,
I am representing the Lake Area. Our area has 7 groups and 33 in person meetings a week. Agape is holding 9 virtual meetings a week as well. I am attaching a new meeting schedule.
H & I is being brought into one private treatment center using the zoom platform on Wednesday nights. All state institutions have put all outside visitors and 12-step meeting on hold until further notice. There is one operational treatment center at this time, New Beginnings at Lake Charles. Oddysey House will be operational May 1, 2021 and our area will approach the staff about resuming meetings when they will allow.
Agape has reopened and is holding meetings on a regular basis at this time.
The regional website and NA app have all been updated and are correct for the area meetings that are being held.
The 7th tradition will be sent after our area meeting on the 17th. We still have to mail the January 7th tradition as well.
In Loving Service
Brendan G.

New Orleans Area

Greetings from Nawlins.

New Orleans Area currently has nine groups providing nineteen physical meetings per week, as well as eight groups providing twenty-three online meetings. H&I has been picking back up and currently honor four meetings per week in three different facilities. NOACNA XIII is still set to happen in July 8-11, 2021 and have begun selling early bird special packages as well as merchandise which can be found at <https://www.noacna.org>.

In loving service,
James G

North Area

Dear RSC,

All is well with North Area. We currently have 9 homegroups and 16 meetings held weekly mostly in person. Our meetings are in several different cities to include Shreveport, Bossier, Springhill, Monroe, Homer, Conroe, and Ruston. We plan on having a function May 22nd at 1321 Airline Drive doors will be open at 11am. There will be a fish fry and grilled sausages along with a few speakers, 50/50 raffle, auction, and just hanging out and fellowshiping. We haven't gotten a flyer together yet. We also have our Camp Recovery shirts in and they are \$20. We are still only able to get into 1 treatment center for H&I that is Physician's Behavioral. That meeting is on Wednesday at 6pm. We are however working on reaching out to several new treatment centers and doctors to get info about NA to them.

North Area also would like to express that they are disappointed in motion 2021-01-01. This motion should have failed. If you look in the guidelines on page 7, under voting, it says that abstention count as no votes. We also feel that taking money from Southern Zonal would be detrimental to our Region and Areas. North Area would also like to remind Region that the Region actually answers to the smaller Areas in this Region. This so that every addict has a voice. So we are voting to continue sending our 3% to Southern Zonal to help ensure the further growth of our fellowship in our Region. We hope in the future that we pay more attention to guidelines that have been placed and that we can further grow in our Areas and as Region.

ILS

Ruthie C

Northshore Area

Hello Family,

The Northshore area has a total of 32 meetings available --7 days a week. Most meetings are currently meeting in person, and some via Zoom. All updated meeting times and new locations can be found on NSANA.ORG. In person meeting attendance is down and groups need the support.

Our local treatment center fountain blue has allowed H&I to meet again in person and we are all happy to be back. The women and men's Prison are still not having H&I come in yet.

North shore is happy to report that our new Treasurer has reconciled our books. Region will be receiving a hefty check in the amount of \$2055.19 regarding our previous committed donations that have not yet been received. I am unsure of the breakdown, but we are current on our side to continue with a regular donation going forward.

Our Area meets next on April 18th @ 3pm via zoom. Meeting ID is Password: -All are welcome. We still have open positions: Vice-chair, A&F, and Policy. We need phone line volunteers-Please

contact Matt B-225-301-0438 or mbanta123@gmail.com

Virtual Convention is May 29th see attached flyer—We are in need of co-host, and help with PR.

Training is provided regularly to be a co-host. You can reach out to Bobbie or Malysa if you want to serve.

H&I

Hi Family,

Thank you for the opportunity to serve. Some H & I commitments are currently on hold because of COVID restrictions. The following areas are currently participating in H & I:

The Lake Area is bringing H & I into one treatment facility via zoom platform. The Lake Area is also going in one night in person with two people.

Lafayette Area is also going into one treatment center.

Central does have one commitment being honored as well.

Northshore is also going into one treatment facility at this time.

I am asking that every ASR please have their H & I chair contact me or give me their contact number in the chat box so I can make sure we have all the updated information. The region will be updated when H & I commitments will commence around the state.

The Lake Area will be holding a H & I workshop in May for all members who want to participate in service work. Please contact me with any upcoming orientations or if any areas would like a H&I orientation please contact me at 337-304-3419. I am available to assist with a H&I orientation during the week as long as it is planned in advance.

In loving service,
Scotty H.

Outreach

No Report absent

Public Relations

Nothing earthshaking going on in PR currently – just the normal stuff we always do:

The Region Helpline, 585-DONT-USE is being utilized more but still isn't being used to it's full potential. The cost of operation is still so little that I see no reason to bill the region for it. North Louisiana Area and Acadiana Area are both using the number as their area helplines now and is working out well. I encourage other areas to consider either using the Region helpline number or to port their existing numbers to the Region. YAP install. It works really well and the cost is unbeatable. The Acadiana Area website has been rebuilt with a new provider and is much more functional now in addition to reducing cost. It is now set up to auto generate meeting printable lists as well as the online meeting lists on the site are pulled directly from the meeting database root server. That makes North, Central, Bayou, Lake, and Acadiana using these features. Davis also has this configured for Unity and NOANA but is waiting for approval from those areas before going live.

I'd like to thank all the PR Chairs and/or designated meeting list coordinators of all the areas for their work and cooperation in keeping their meeting information current in the BMLT meeting database. Thank you Trevis, Daniel, Anthony, Allison, Jared, Pam, Stephen, Jessica, Matt, and anyone else I may have inadvertently left out – you guys rock! I am currently working with NAWS to deep clean their database and tie up loose ends. There are a few meetings they have listed that we don't. I have sent these back to areas to verify if they exist or not. We currently don't have a viable BMLT mobile search app so everyone uses the NAWS meeting search app so it's important we stay in synch.

I'm assisting in a major PR effort in North Louisiana Area. They are getting tear off posters and business cards out from Shreveport to Monroe and all points in between. This is an ongoing effort that will be continuing throughout the year. I have also met or developed relationships with Drug Courts in Shreveport and Monroe as well as the DA's office in Columbia and Claiborne Parish as well as local courts in several cities. Several of these entities are giving NA business cards to people convicted of drug/dui in the courtroom or are being referred to us. The Claiborne Parish DA was especially welcoming and wanted several hundred cards – which I got to him quickly. He said most of the cases that cross his desk have something to do with drugs and he's sending them all to us and to get ready. We've also met with rehabs and other organizations. If I can help any of the areas with any of this please let me know and I will come see you. I have been slow to post some of the events on larna.org and let a few slip through the cracks. Please continue to send me event flyers and I promise to get back in the groove on this and get it done like I used to.

Thank you for allowing me to be of service.

Information of Interest

Greetings Members and Trusted Servants of the Louisiana Region:

Attached to my report will be minutes from the January LRCC Board meeting and minutes from a special board meeting held on January 31st to discuss the possibility of a virtual convention in 2021. I will forward minutes from our March meeting when I receive them.

Since our last RSC meeting, the LRCC has met 3 times. State mandated Covid restrictions were making it extremely difficult to find a hotel to host LRCNA38 in person. After much discussion, LRCC felt that time was running out to plan an in-person convention. We also strongly felt like our region needed some sort of recovery celebration. LRCC voted to host a one-day virtual convention. An adhoc committee was established, and BOD members Rock H. and Ron D. were appointed as LRCC liaisons/coordinators to work with a planning committee. I have attached the current flyer to my report and will make sure it is uploaded to www.lrcna.org as soon as possible. Please ask members of your areas to consider stepping up to help in any way they can to make this successful. Contact information is on the flyer. There is no charge to attend, and we will be accepting donations during the convention.

We are still seeking bids to host the 2022 convention. I have included the bidding guidelines in my report. The question was asked about hosting the convention in a hotel that is adjacent to a casino, so the Board would like to ask the region their thoughts on that.

The Board also discussed the banners from previous conventions. The only banners that were able to be digitized was in the collage done for LRCNA37. A motion was made and tabled to dispose of the banners. We wanted to advise the Region of that possibility and get any additional feedback.

ILS,
Denise Howell

Creating a LRCNA convention proposal/bid:

Bids are generally created and submitted by individual members of Narcotics Anonymous who live within the region of Louisiana. (Previous convention experience in this group is extremely important). The bid and the group submitting that bid (hereafter referred to as the Bid Committee) must have the endorsement of a member Area of the Louisiana Region.

Members of the bid committee should be willing to serve on the host committee if they are awarded the convention, keeping in mind the clean time requirements for host committee members as listed in these guidelines (See pages....)

The bid committee will identify potential sites for the convention and with a member of the Board of Directors, will approach that site with a bid outline (general requirements for the convention site) in order to obtain a proposal from that site.

1. The bid outline will include but not be limited to the following information requested and given:

- a. Date of proposed convention
- b. Meeting room availability and capacity
- c. Number of rooms available for lodging and cost (room block)
- d. Availability and cost of sound equipment for meeting spaces
- e. Meeting space set-up requirements
- f. Availability and cost of banquet (capacity and timing)
- g. Allowance for food in hospitality room
- h. Availability and cost of coffee
- i. Placement of banners in main meeting space
- j. Securable space for committee business and for merchandise sales

Average attendance, banquet, and other sales for last years convention

Yours in service,
Denise Howell

Elections

No nominations

Please let your areas know:

Vice-Chair, RD Alt, RD Ele, A&F, Policy

These positions are opened

Old Buisness

Motion 2021-01-01 Maker: Bayou Recovery Area

Motion: Request that the Region set aside \$10,000 in Prudent Reserves for billboard advertisements after all the Covid-19 restrictions are lifts

Intent: fund PR billboard project while funds are on hand that will further carry the NA message

Pro : 1

Con: 1

Final Vote: for -3 Against - 1 Abstention – 2

Passed

This motion was ruled out of order & Called to vote from Chairperson:

For 5 Against 1 abstention 0

There was a discussion about this motion being passed. Some of the ASRs comments:

Bobbie said the 7th tradition says we answer to the groups

Ruthie said it failed according to the guidelines with abstention being a no vote

Richard said that the whole amount was not even needed and just a suggestion \$10,000

In reference to the North Area Report and discussion, the body feels it should have went back to the areas.

Suggestion for are bring another motion to the floor and it goes back to areas. Also attached is the billboard proposal from your PR. The consensus from ASRs seemed to like the idea bllboards however think the areas should have a say and know how region is spending \$10,000.

Motion 2021-01-02 Maker: Bayou Recovery Area

Policy Change

Motion: to suspend sending the 3% to Southern Zonal

Intent: better funding for RSC

Pro: 1

Con: 2

REFERRED TO AREAS

PLEASE BRING BACK VOTE TO NEXT REGION

This motion Failed; For 1 Against 5 Abstention 0

An ad hoc report was given about how to help make Saturday on Regional Weekends more productive. This was their suggestions. From 9am-11am invite all sub-committee members to meet for a hybreed meeting to report on their area. Lee P is willing to set up hybreed meeting using Zonal since we are a supporting member of our Zone. According to motion Passed 2021-04-01

2021-04-01 was discussed with 2pro and 2 cons. Claifty of motion: do hy-breed meeting in addition to Saturday for sub-committee to increase participation from area chairs with H&I, PR and Policy

For 8 against 0 abstention 1

The ASR voted and 2/3 of the floor passed for a policy change

Also side note from ad-hoc chair there is nothing in the guidelines stating specific what Saturday is for.

Then from 1pm-3pm do a workshop. Take a survey and communicate to bring needs to the area using all the info we get from our Zonal commitment. Like Issue Discussion topics, learning workshop, getting involved ,

H&I and PR workshops, whatever is needed in the area that is a struggle. Then that night the area will throw an event with a theme coinciding with the time of year.

New Buisness

Motion 2021-04-01 Maker: NorthShore Area

Motion: requesting that region bring this decision to groups 2021-01-02 motion that was passed last region
\$10,000 reserved for billboards advertisement

Intent: area would like to see this issue brought back to the groups for a vote

Withdrawn once the vote to rule out of order.

Motion 2021-04-02 Maker James Second Bobbie

Motion: to take the suggestion of the adhoc committee about what to do on Saturday at Region

Intent: to be more productive

Final Vote: for -6 Against - 0 Abstention – 0

Passed

Talked about not following rotation order and going to whatever area was willing and able to Host region.
North, Greater Baton Rouge and Lake Area was all willing and we voted to go to North. By this time we lost our
Chair cause of poor connection. So I got overwhelmed. Sorry if something is missing and if any corrections need
to be made please let me know. On another note How Exciting to meet in person!! A flyer from North will be
coming soon.

Motion to Close at 11:50am

I don't really have a report so I'll share the NAWS News with y'all... Thanks for letting me serve.

NA WORLD SERVICES NEWS 19737 Nordhoff Place | Chatsworth, California 91311
USA | worldboard@na.org VOLUME FOURTEEN | ISSUE THREE | APRIL 2021

We have been saying for the past year that we are trying to publish a shorter, more easily translated NAWS News, and we are making good on that promise in this issue.

FOR MORE INFORMATION ON CURRENT NAWS ACTIVITY, SEE THE VIDEO OF THE NAWS UPDATE WEBINAR posted on the video page linked to from www.na.org/media.

TALI This is the first NAWS News since the passing of our World Board Chair, Tali M. She was a gift to us and to NA and we miss her more than we can describe here. We know many of you share the loss with us. She was grateful for the love of the Fellowship and the opportunity to serve and demonstrated that by facilitating a Conference participant webinar the day before she passed. We all honor her in that same spirit of service. facilitating a Conference participant

FINANCES

Our financial situation continues to -fluctuate. We are work-ing hard to weather the storm. We remain under budget for all expense categories except in-house production and legal. We have less control over income. By the end of last year, our literature sales began to improve, but net literature income was still almost 40% less than the same time the previous year. A significant percentage of the literature being ordered has been coming from correctional and treatment facilities, many of which have been locked down with H&I panels not able to reach them. As the world is opening back up, literature sales are begin-ning to increase, but we remain committed to becoming more self-supporting through member contributions. Our long-term goal is to cover at least 70% of our expense for services from contributions not literature sales. Those ser-vices are roughly two-thirds of our budget; it's most of what we do, except for literature distribution and cost of goods. Under more normal circumstances (not a pandemic), World Services' expense for services are approximately \$5.5mil-lion, 70% of which is approximately \$3,885,000 per year. In the last fiscal year, contributions were just under one million dollars, which means we are a little more than a quarter of the way toward the goal.

Go to www.na.org/virtual to download this slide for your meetings.

Thank you so much to everyone who has made a contribution. Recurring monthly contributions are the most sustainable source of income for us, and we are happy to report that the total amount of member contributions had increased more than tenfold over the course of the last year. We have gone from fewer than 50 recurring contributors with a total of about \$2,000 per month, in February 2020, to over 750 members contributing a total of more than \$20,000 a month. Our only income area that improved in the last fiscal year was contributions. Thank you. Addicts can do anything when we put our minds to it. If 10,000 members contributed \$10 per month and another 10,000 contributed \$20 per month, we would almost reach our goal. We have posted slides with a QR code that takes you to www.na.org/contribute for meetings to use if they want to. You can send them under the World Service Contributions header of the On-Screen Resources section of www.na.org/virtual.

22 January 2021–May 2021 Activities

LOCAL SERVICE TOOLBOX There are two focuses for the project moving forward: Best practices of virtual NA meetings: Check out the outline posted at www.na.org/toolbox and let us know if you have input. This will eventually become a tool or tools for virtual meetings. How virtual meetings are connecting to the wider world of NA, including NA service delivery: Please fill out the survey at www.na.org/survey. We are trying to collect more information about how virtual meetings are communicating and coordinating with service bodies. Please share your experience. We are also anticipating a conversation at the next World Service Conference about whether virtual meetings should be considered NA groups, according to the criteria listed in The Group Booklet. The survey asks about this, and your responses will help us frame that conversation. Survey deadline: 31 May 2021

PR RESEARCHERS' SURVEY Please help us in our cooperation with researchers. We have posted a survey put together by some researchers who have published articles about NA's effective-ness in the past. This is not the first time we have helped these researchers gather data for their studies. Studies like these can speak to NA's effective-ness in a voice that professionals will hear because it comes from their peers. Please help us to convey an accurate picture of what tools help members' recovery by completing the survey and encouraging your friends to do the same! The survey is posted, in English only, at www.na.org/survey, or you can send it by clicking the survey button on the NA meeting finder app. Survey deadline: 31 May 2021

FIPT We have posted a video at www.na.org/fipt that explains what the Fellowship Intellectual Property Trust is and why it's important. We anticipate offering motions in the next Conference Agenda Report related to the FIPT. We are proposing a simple revision that is explained and posted for review until 31 May at www.na.org/fipt. See the cover memo for more information. And though we have not made any final decisions as a Board, we expect we will likely also reintroduce Motions 3–5 from the 2020 CAR because they were not considered at the last WSC.FIPT review deadline: 31 May 2021

WCNA We are trying to reschedule WCNA 38 in Melbourne, Australia for November 2022, but we are not sure if that will be possible or not. We will report more when we know more. Meanwhile, rest assured that WCNA will take place in Washington, DC August 29 through 1 September, 2024 regardless.

SERVICE DAY AND OPEN FELLOWSHIP WEBINAR 1 May is Service Day, and we are celebrating with a web meeting highlighting Fellowship Development efforts around the world. Members will share stories that we promise will entertain and inspire you. Fellowship development is not just about starting NA in far-away places—it's what we do to grow NA, near and far. Come learn. More information will be posted www.na.org/webinar.

Please help us in our cooperation with researchers. We have posted a survey put together by some researchers who have published articles about NA's effective-ness in the past. This is not the first time we have helped these researchers gather data for their studies. Studies like these can speak to NA's effective-ness in a voice that professionals will hear because it comes from their peers. Please help us to convey an accurate picture of what tools help members' recovery by completing the survey and encouraging your friends to do the same! The survey is www.na.org/survey, or you can send it by clicking the survey button .

AUDIO BASIC TEXTS

The English audio Basic Text has been posted! English joins Arabic, Hungarian, Russian, Spanish, and Thai audio Basic Texts at www.na.org/?ID=bt-aud&ID=bt-aud. As with Spanish, we have posted the Fifth Edition while the Sixth Edition is being worked on. You can send the page by clicking the literature icon on the front page of na.org.
