- **Lousianna – Lee (RD)**

Hello Southern Zonal Forum,

It's so good to be here with you whether in person or virtually. The Louisiana Region is holding on during this pandemic. We had our first f2f Region recently (last July) and we did send a donation to the Zone.

LOUISIANA STATEWIDE REGIONAL DATA 2021

Home Groups	Meeting's F2F/ Virtual	H & I
83	183 weekly/ 21 weekly	19

Thing's that my Region would like to see at the WSC, would like to see NA being spread more worldwide. And Literature produced to reach more addicts. In our present situation because of the pandemic everyone is being understanding.

That's it for my Regional report.

Hello Family
The Lone Star Region is doing well, we have 8 areas in our Region. We are still holding RSC hybrid. Russ and I are coordinating a regional assembly hybrid, compiling a list of workshops that will include Fellowship Development with Lee P as the presenter, how to retain members in service also Self-supporting during a Pandemic. It will be held September 25th, 2021 at New Beginning group in Tyler. We have 93 groups within our Region, Dallas Area does not have an RCM currently they are still some groups that are meeting hybrid. Regional H&I is carrying meetings in 1 facility 5 times a week, the women are taking meetings back into the prisons for a few months all other facilities are still closed. They are still sending literature into the facilities. Out of 8 areas 2 areas are meeting virtually, 1 hybrid and, all other areas in person. The Lone Star Region Convention will be taking place this coming weekend September 2nd – 5th, 2021 www.lsrna.com.

 Greeting from Show Me Region. I have been on the MZSS committee, so I did not prepare a formal report until just now. We continue to struggle financially. We are still meeting in-person but have a hybrid option now, and in July had enough for RCMs for a quorum. We continue to struggle with meetings openings, virtual, and closing due to change pandemic restrictions.

- **SZF Rep – Henry - Verbal report given including**
 Discussion of US Zone’s Vision & Purpose statement
 Question asked if any region was opposed?
 Tejas Bluebonnet does not support forming a US zone’s committee. It would take trusted servants we need.
 Comment: No committee – no trusted servants – no guidelines – no financial impact.
There was no opposition to vision and purpose statement from RDs

PR/Fellowship Development Workgroup (Adhoc)
PR Coordinator resigned

- **Fellowship Development Lee P**
 Hi again!
 We have had a couple projects with minimal success... The Zonal lottery started, and Mississippi was pulled first. I was unable to liaise with their RD. Fortunately I was able to get with someone from the Jackson area and they got PR going. With the pandemic things are slowing down again. Unless instructed by this body I’m going to hold off on the next regional pull. Probably be best to wait and see what’s going to happen over the next couple months.
 We were able to send out the video on Facebook, it was only to Arkansas. When I tried to send it broken up by demographic it shut me down. It shut Shane out and he’ll be able to explain it better than I can. --- Shane! That’s the end of my report.
 ILS, Lee P. SZF FD

Shane – explained why they couldn’t do the PSA ad. Facebook requires you to be registered with Legit Script, which is costly.
 PR in Tennessee interested in PR at October Zonal forum.
 Jackie doesn’t have a point person on team willing to work with PR team to get this to happen. Will contact Louisville area – maybe they have some folks who would love to make it happen.
 Shane volunteered to spearhead the PR event in KY with coordination of Craig, Volunteer Region.

World Service (List position and approximate dates served): none

Have you failed to complete, or been removed from a service position in the last 5 years? Please Explain: No

Have you ever stolen or misappropriated funds or merchandise from NA? If yes, please explain: Yes. When I had 3-6 months clean, I was a part of a short-lived group (roughly 90 days) and ended up chairing all the meetings and keeping up with all the money. After the group folded, I was still holding several envelopes of money. I obviously used the money but kept the envelopes so I could pay it back if I was ever asked about it. Once I read about misappropriation of NA funds, I contacted the other members of that group and told them I was giving that amount to the local NA group in our community, which I did. Since learning that I couldn't borrow NA's money and pay it back because that is misappropriation, I have not misappropriated any NA funds.

Do you regularly attend NA Meetings? yes

Do you work with a NA sponsor? yes

Do you have a working knowledge of the 12 Steps, and an understanding of the 12 Traditions and the Concepts of NA Service? yes

Are you willing to uphold and abide by the 12 Steps, 12 Traditions, and 12 Concepts of NA? yes

Have you reviewed the Guidelines/By-Laws in respect to this service position? I have

What skills or training do you have to assist you in this commitment? I have great communication and leadership skills, along with years of practical application of the

Steps, Traditions, and 12 Concepts for NA Service. I work well with others and actively work a personal program of recovery, which includes multiple times through the Steps, and am currently writing on Tradition One. I have been an active member of Public Relations for over 15 years and believe the training I have received in NA makes me well qualified for this commitment. I am most certainly a Public Relations and service enthusiast, and really enjoy serving our fellowship in a way that makes our program more widely known, so that addicts needing our life-saving message of hope may find us

Have you looked at how this commitment will impact other commitments or your personal life? I have. I have also spoke to a few of the people I serve with, especially those I serve with at the Regional level. I strongly believe in mentorship and spend a large majority of my time in service mentoring others. Because of that, I play an active role in my Area and Regional service positions, however, those members serving with me are well trained and capable of managing without my presence, if there was ever a need for me to not be available. I also work for myself, which does provide me with additional time to serve that doesn't take away from my family.

Do you have the time and resources necessary to complete the service position to which you may be nominated? Please explain: Yes. As stated earlier, I work for myself which allows me some freedom to travel, as well as to participate in service opportunities during the day, which is when most organizations and professionals are available.

Questions – You have a lot of service positions. How will you divide your time and do this job effectively? Answer: I believe in mentorship and training... all positions I'm involved with have alternates/vice chairs. Some positions are finishing up. I work for myself so I have freedom to handle PR tasks.

What would be your goal/vision for PR at zonal level? Answer: I've read the guidelines. It seems most duties focus on PR events at the zones. Being a resource to regional PR chairs is something I think is important.

Comment – I've seen Craig work with professionals. He's wonderful at responding to professionals, great with differing personalities. People respond well to Craig. No doubt he will 110% be able to do this position.

- **Election for Facilitator**
Linsey P
No objections.
- **Elections for SZF Rep**
Nominations are Mikey P and Staci H
Majority voted for Staci.

Reminder that Nomination for Treasurer will be in October

Next Forum(s) Preparation

- **Fall Forum is In Kentuckiana October 29-31**
Flyer included with minutes.
- **January is slated to be Joint CAR/CAT in SEZ – February 11 -13, 2022**
Given the proposed NAWS motion surrounding WSC 2022, the SEZ has put together a contingency to avoid significant financial loss by converting the weekend into some type of Symposium

They plan to hold a symposium of some sort. If no car/cat event, we will have a service type symposium. This will be our winter meeting...

Old Business

- **Update the timeline given Covid** – Staci and Lucy will update timeline.
A lot of questions about being present before this forum. If we are hybrid and if you are present online, you are present.
- **Update Policy/Guidelines** – Staci and Lee will update the housekeeping part of guidelines, particularly about being present.

New Business

- **Volunteer Regional Convention announced.** Thanksgiving weekend in Memphis. 2021.vrcna.org. It is in the hotel across the street from the location (Memphis State University) of the 3rd World Literature Conference. This is the 40th anniversary of the conference and the approval of the Basic Text.
- **Take back to regions the idea of an Alternate Zonal Rep.**
Show Me is pitching idea of having an Alternate Southern Zonal Rep. Guidelines could possibly be same as zonal rep. Including funding OR do we want the position to be fully hybrid with no cost to the zone?
- We discussed support for Mindi for a World Board nomination.
Resume included at end of the minutes.
Please take back to regions and email by Sept 1 any opposition to Mindi as a nominee for World Board from our Zone..
Questions – do you hold any service positions currently? Answer: No.
Have you spent time coordinating with NA communities around the world. Answer: yes. Helps local communities in Romania right now.
Point of Information – There is no representation from Midwest America. Also the Board is losing some of the women soon. Mindi is needed for geographical and female representation.
How do you personally feel about seating a split region? Answer: I appreciate the question but would rather not answer. It depends on so many things. There's so much information that goes into it including current makeup of conference. The conference changes so much over time. It's changing now as well, especially with zones. Tentative yes with caveat that anything can happen.

Louisiana asked that we take a straw poll...
Looks like the zone supports it with a straw poll. 7 in support of Mindi.

The meeting closed as there was no other business.

We are located in the southern-central part of the United States. The geographical area of the Southern Zonal Forum extends from Richlands, Virginia west over 1446 miles (2327 Kilometers) to Del Rio, Texas and from Brownsville, Texas to the northern border of Missouri, which is 1300 miles (2090 kilometers). This covers over 900,000 square miles (1,500,000 square kilometers). We meet quarterly in one of our member regions to discuss topics that affect Narcotics Anonymous as a whole. We believe that by sharing our experience, strength and hope in the service area, we can better fulfill our primary purpose. We are not a decision making body, we are solution based discussion forum dealing with topics from groups, areas and regions.
