Unity Area member groups.

The World Service Board has asked us to consider and vote on 12 motions. These motions were made by the World Board.

An Interim World Service Conference will be held virtually. The new World Service Cycle is now every 3 years in place of the every 2 year cycle. An interim conference is being held midway between (3) year cycle.

Votes will be taken at February ABC Meeting. A 30 minute video will be shown featuring our Regional Delegates take on these 12 motions.

All those wishing to participate should be present. Groups who are unable to be present may email their vote to me @

robertguillot1955@gmail.com.

Sorry for the rush, I was unable to present these motions at ASC due to not reaching Quorum.

In Loving Service,
Robbie G (ASR)
