January 2026 Chairpersons Regional Yearly Report

Good morning, everyone welcome and thanks for your service to your Area at LRSCNA. The main purpose of this January report is for me to give a brief review of how LRSCNA operates. One of the most important informational advice I could give y'all is to always refer to the newly printed LRSCNA Guidelines, that now has an easy-to-follow Table of Contents.

The primary function of the LRSCNA is to unify the Areas within the Region. The Secondary function of the RSC is to carry the message of recovery through the actions of the Fellowship Development Group and its defined workgroups. LRSCNA has ten areas that are acting participants. Each Area host a Quarterly Region Weekend Jan, April, July & October. The hosting area is on a predetermined rotation. Region is held on the 1st weekend of the month except for the month of January, it is the 2nd weekend of the month to avoid the holiday weekend. The Hosting Area is given 600.00 seed money to host region weekend. All money raised that exceeds seed money shall be split equally between the LRSCNA and the hosting area.

Regional weekend begins on Saturday, the schedule is made by the hosting area & the Vice Chair and is usually distributed two weeks prior. All members of NA are welcome to participate. All participants shall be subjected to the LRSCNA Guidelines. Saturday is also available on Zoom. All trusted servants must attend LRSCNA both Saturday & Sunday. Saturday consists of all Region Subcommittee Chairs & Reports & If there are new motions for Sundays Regional meeting, they are all discussed in full on Saturday.

Sunday is to conduct all Regional Business. LRSCNA shall conduct business only if a quorum is present by 10:30am. Only duly elected alternates are eligible for quorum in the representative's, no proxy representatives. Only If an Area has been absent for more than two inexcusable consecutive LRSCNA meetings that Area will not be calculated as part of Quorum. The agenda will follow the Regional Service Committee Meeting Format. All input and motions should be given to the Chairperson prior to old business at RSC meeting in writing. The Chairperson can add any new business to the agenda or revisit old business if deemed necessary. LRSCNA has two classes of Voting Participants which consist of ASR or ASR-Alt and the Administrative Committee as a whole, only in the case of a tie vote. Participants are only allowed to vote one time. In the case of an ASR or ASR-Alt serving as Administrative Officer they waiver their rights to vote at Administrative Committee in the case of a tie. Non-Voting Participants consist of Administrative Officers unless a tie, Standing Committee Chairpersons, Interested Parties, Volunteers & Observers.

Rules of Order

27

*The rules contained in the current edition of Roberts Rules of Order, Newly Revised, Shall guide the LRSCNA in all cases to which they are applicable and in which they are consistent with the LRSCNA Guidelines and any Special rules of order the LRSCNA may adopt.

*In the event that smoothing is not stated specifically in the LRSCNA guidelines dealing with the way we conduct business. We will use Roberts Rules of Order.

3. **Opening Treasurer’s Report – Dob B**

Louisiana Regional Service Committee of Narcotics Anonymous

Treasurer’s Report

January 11, 2026

Good morning, I am Don and I am an addict.

Since last quarter, there have been two transactions with Twillo and three with Digital Ocean.

Additionally, I received a \$7,000 check from the Louisiana Regional Convention Corporation. I’m also sending the replacement check for the April donation to Southern Zonal, which was previously lost. I believe it’s prudent to request a stop payment on the missing check, as it has already been deducted from our treasurer’s report and will only appear in the comment section.

Debits

- Two Twillo transactions: \$22.11
- Three Digital Ocean transactions: \$26.97

Credits

- \$7,000.00 check from La Convention Corp

Bank Reconciliation:

- Opening Bank Balance (12/1): \$21,244.89
- Debits: \$8.99
- Credits: \$0.00
- Closing Bank Balance (12/31): \$21,235.90
- Debit Not Shown: \$20.40
- Check #1083 (Replacement Zonal): \$458.12
- Ending Balance to Date: \$20,757.38

Budgets

27

On this initial spreadsheet, I've included budgets for this year's RSC. We currently have sufficient funds for all listed encumbered items, so any donations moving forward will simply add to our account. Most budget allocations are similar to last year, with subcommittee chairs, such as Fellowship Development, budgeting the necessary amounts to maintain operations like the phone line and website. There is currently no allocation for H&I, which we may need to consider if we fulfill our committee obligation to Angola Prison. I am also distributing a Statement of Assets (profit/loss statement) outlining all donations and expenses from last year. I hope we can discuss budgets and future donations during today's Subcommittee meeting.

Our liability insurance comes up for renewal in February. I will submit a motion today to purchase insurance for 2025, setting the spending ceiling with a 10% inflation allowance. I'll notify the ASR via Group Me of the new cost before renewing.

Before our next RSC meeting, I plan to file our annual paperwork with the Secretary of State's office (\$15 fee) and submit the 990N tax form to the IRS, ensuring we're fully up to date this year.

In Loving Service,
Don B.

4. Secretary Report – Ashley J.**RSC Secretary Report January 2026**

Good morning,

Corrected Minutes were sent out. If anyone didn't receive the updated minutes, please let me know. I appreciate everyone's patience as I'm learning the secretary position. If anyone has not emailed me their report, please do so within the next week so January minutes can go out in a timely fashion. Thank you for letting me be of service.

ILS,

Ashley J.

5. Regional Delegate Report – Bob St. – Report Submitted**Regional Delegates Report for January 2026 RSC meeting**

Hello all,

On October 18th we had a Zoom Conference Participants meeting in which Anthony, the outgoing Executive Director for NAWS reported that literature sales continue to be flat and 5% below what had been projected for their budget. He stated that costs across the board have increase and all of this has led to the decision to increase prices by 15%. The new literature prices are posted on the NAWS website by the way.

He also reported that, as you might have seen lately in some social media posts, the next WCNA is being planned for somewhere in Europe, although the final location had not yet been decided.

Irene, the WB chair reviewed what was then the upcoming CAR and the 5 motions that would be in it. I don't want to say a lot about these motions now as we will be spending a couple of hours next weekend going over all this. In addition to the 5 motions though, there will be discussion topics. MAT/DRT and Gender neutral language. The idea with these will be to get some sense of where the fellowship is on the issues around these topics.

The Conference Agenda Track (CAT) is due out next month and will address potential changes in processes as opposed to substance.

During the question and answer section of the CP meeting there was discussion about where and how the US Collaborations of Zones fits into the service structure. There also were comments and questions from Iran about allegations that the traditions and other literature are not legitimate as they were not truly "fellowship approved,"

On November 22nd there was a CAR workshop on zoom hosted by Southern Zonal Forum in which Irene and Veronica from the WB talked about the pending motions. Again, I hesitate to get into this too much as we will be going over all this next weekend in our own zoom CAR workshop. I do, however, want to emphasize that there is far too much content in the CAR to review all of it in a single workshop. This means that people need to read the content of the proposed IP, and the strategic plan for themselves. We will be able to tell you how it was

27

developed and what some of the concerns are, but you will have to be familiar enough with the content to say what you like and what you don't like, and in the end, yes or no to the motion overall. Similarly, with the discussion topics, y'all need to have some discussion at the group level about these issues and then tell us what your comments and concerns are so that we can voice these at the WSC.

There was another CP meeting on December 13th. We were reminded that there will be an initial straw poll on CAR items sometime after April 18th, so we have to have our regions votes no later than that.

There were concerns about other language translations of the CAR not yet being available. There was more discussion in this meeting about book length literature for incarcerated persons, and clarification of what the cost of such a thing might be.

Scotty and I both encourage you to advertise the Zoom CAR workshop we are doing next weekend and if people can't tune in live, there will be a recording of it on our RSC website they can access on demand.

We will take Area votes and discussion comments whenever you have them ready. We want all of this no later than the RSC meeting in April. We must have them by April 18th at the very latest.

Update on our submission of Bob Singer for a position on the World Board. Not only was he able to upload his information as required (finally), he also had a zoom interview with the Human Relations Panel. We will find out in the coming months whether he is being nominated or not and if he is nominated, the elections will occur at the WSC.

Finally, as in the Interim WSC conference, I ask for authority from the Region for Scotty and I to vote on issues we don't have a formal group conscience on, in the way we thing best represents our Region's conscience. If, however, we do not agree on what that is, we will abstain.

In loving service,

Bob S.

I would like to thank the Areas that are getting their flyers out early. Also I would like to look at dates for the next Gumbo Cook off. Was the month of September ok to have it? Should we wait for the football schedules to come out also? Also if any Area has an annual function in September let us know so we don't plan the Gumbo cook-off on the same date.

Thanks

Jan 2025 Fellowship Development

The last quarter has been pretty routine. The websites are up and running, the help line is functioning, and the meeting database is up to date. The helpline did go down briefly due to log files growing to exceed the disk space but was easily fixed with a little house cleaning. If you call the help line and it is down please contact me so I can fix it. Thank you Robbie L for contacting me on the last outage.

A big thanks to all the trusted servants in the areas for contributing your time and effort to keep the meeting database updated. It couldn't be kept current without you.

Let me know if you need any help.

BOD Chair Report

Hello Region:

Our last meeting was August 17 at Grace Baptist Church in Baton Rouge and zoom. I am providing you with a copy of the Board of Directors minutes as well as copies of minutes from the October, November, December and January Host Convention Committee meetings.

We currently have 5 board members – Ric, Stephan, Billie, Pleas and myself. We can use a few more members for the board to help keep the LRCNA's running and solvent. Please go back to your areas and see if anyone would be interested in being involved.

Our current LRCNA for 2026 is doing very well. They sold 140 raffle tickets for the convention package. The winning ticket was drawn and announced at the New Years Eve fundraiser. They currently have 115 room nights sold which is 91% of their room block for the convention...many months out. And they have already sold 2 of the 130 banquet tickets. They do need a Merchandise Chair and a Hugs Committee Chair if anyone is interested.

Members from the Central Louisiana Area have reached out to us in hopes of putting on the LRCNA in 2027. We spoke with one hotel that is not interested in working with us. This week we drove to Alexandria and spoke with the Four Points Sheraton. They will be sending us a proposal soon. We hope to be meeting soon to discuss it.

In loving Service,

Pixie Storer

BRASCNA ASR (Interim) Report to RSC 1/10/26

Our Area does not have an ASR or ASR Alt. elected so our new Chairperson, Ric S. appointed Taylor P. to be interim ASR. We do not have minutes from the last two ASC Meetings. As you can see, we are still having problems getting Trusted Servants at the ASC. We do not have an ASR, ASR Alt, Vice Chair, Policy Chair, Secretary, Activities Chair, H&I Chair, PR Chair or Outreach Chair. We did have 10 GSRs at our last ASC Meeting. We have two new NA Groups on our meeting list; The CCC (Calm, Cool, Collective) and Off the Rails, a new special interest LGBTQIA+ Meeting. Our Meeting list is available online on our website: br-na.org. We have 25 Meetings a week including one Zoom Meeting.

The How It Works Group celebrated Troy G.'s 38th year cleantime anniversary last Sunday. That was also the How It Works Group's 38th Anniversary of its formation. The New Way Of Life Group also celebrated its 20-year anniversary on December 6th at the O'Brien House.

Two cleantime anniversaries being celebrated, coming up on January 27th at the Unity Rangers NA Group's Tuesday Night Meeting are Dennis T. - 41 years and Taylor P. – 43 years.

3. Central Area – Pamelyn G.

CenLANA January 10-11, 2026

Hello everyone, my name is Pam and I'm an addict.

Unfortunately, the Central area doesn't have much to report. Our turnout to meetings and events are at a record low.

Our Halloween function did decent but we really didn't make much money. We raffled off a refurbished IPAD and Doug won it. The Christmas and New Year's celebration had very low attendance.

H & I is doing pretty good, however, the candle light meeting was canceled due to lack of attendance and certain issues with some clients.

Thanks for allowing me to be of service!

Sincerely,

Pamelyn

North Area Report – RSC January 2026

Good morning everyone,

North Area is doing great. There are currently 5 home groups in the North Area with 14 meetings a week. We have meetings every night of the week at 8pm except for Fridays at 7pm, Saturday mornings at 10am, Thursday nights at 6:30 and Monday through Friday at noon. Meeting attendance has fallen off recently but remains meetings with 20+ addicts.

H&I is going very well with Panels going into CADA on Tuesdays at 7 pm, Sundays at 5:30 pm and Uprising Addiction Center every other Saturday at 3:00 pm. We continue to get positive feedback from the facilities and their clients. The North Area is currently needing more H&I participants and panel leaders. We have been asked to carry meetings into other facilities and are currently unable to take on any other commitments due to the lack of participation. We are donating \$200.00 to the Region.

ILS,
Ashley J.

8. **Northshore Area – Charles W.**

9. Serenity Area –Allen F.

Serenity Area Jan 2025 RSC

The Serenity Area is hanging in there. We currently have 17 meetings per week in six cities. It takes two hours to drive across our area. The Black Sheep Group in Springhill and New Life Group in Monroe are growing while some groups are doing OK and while a couple are struggling. We plan to meet with Louisiana Tech in the coming quarter to help assist Crossroads Group in Ruston and also plan to meet with various entities in Monroe to help get the message out that we are there. We have two H&I commitments – Lincoln Nova in Ruston and CARES in Homer that we carry a meeting in every week and have more opportunities as we can get members trained. As a young area we face an issue with having enough qualified people with transportation to take on more commitments but that is gradually getting better as what were newcomers are starting to get some time and get on their feet. We are also getting more literature racks out into rehabs that we are currently not meeting at but hope to in the future and have recently place some literature at ULM in Monroe.

Our literature is handled via a private e-commerce site on our website and orders are placed on the website by the groups and only the literature ordered is delivered to ASC. We also place our orders with NAWs typically two weeks before ASC and any orders from the groups for items not in stock can still be delivered at ASC if they are ordered before then.

Policy, A&F, and H&I are vacant but our secretary is coordinating H&I and policy and A&F are handled on an ad-hoc basis.

The Black Sheep group in Springhill is hosting a pot luck and speaker meeting on Feb 7 and will also be hosting a birthday celebration for Daniel S (20 years) and Kenny R (21 years) on Feb 28. We will also be planning another major function for Monroe for early spring.

We have t-shirts and caps we are selling to fund our H&I & Fellowship Development efforts and anyone interested get with us after the meeting.

10. Unity Area – Jessica A.

Unity Area Report

Jessica A ASR

We presently serve 14 groups, with a total of 18 meetings and 1 zoom meeting.

Our Area Service Committee has four active subcommittees.

1. Activities & Fundraising – Currently planning for the upcoming annual Spring function, the Unity Area Spring Fling which will be held Saturday, March 28, 2026 from 1:00pm to 4:00pm at Bayou Segnette, Shelter 7. We will be grilling hot dogs and hamburgers. Food, Fun, Fellowship, 50/50 raffle, Pie in the Face Auction; speaker is currently TBD. Anyone who wants to bring a dessert or a side is welcome to do so. Suggested donation \$10.

A&F is also beginning talks of a summer function which involves some kind of swim party, and typically have an annual Halloween function during October.

2. H&I – facilitates two meetings

a) Grace House – twice monthly on the first and third Wednesday

b) Avenues – Once per week on Sunday

3. Literature – orders & distributes NA literature. Comprised of Chair and Vice Chairperson

4. Public Information – answers helpline. Updates, publishes and distributes meeting schedules. Our public information committee also updates a website and maintains a facebook page.

In addition to the Subcommittee events, many of our homegroups are also putting on events and speak and eats:

Currently that I know of, First Step Group is hosting a Speak and Eat on February 17, Mardi Gras night from 7-9pm (after all of the typical Mardi Gras festivities). Speaker TBD, Bring a dish if you wish

Unsure if this is for the report or should be brought up at a different time, but at Unity's last Area meeting, there was some question regarding the insurance that LARNA carries and whether it is necessary. I was unable to effectively speak to what the insurance covers. If someone can help me to understand that, hopefully I can bring that back to my area and more effectively answer questions.

This quarter, Unity Area is donating \$200 to LARNA.

Thank you for allowing me to be of service.

In Loving Service,

Jessica A
