There was some confusion about the date of the CAR vote, but it is still the originally thought date of prior to next region

~~There is a lot of confusion~~
In regards to the CAR vote - I feel like it is not a good representation of our members' opinions if the whole of our members are relying on their GSRs to provide their vote but their GSRs are not showing up to area. I am requesting that we change the intake of the votes to in writing via text / email
